<sup>1</sup> Service Fees on this account are determined by our Analysis Program, which allows us to assess service fees based upon the activity and average collected balances of the account, which may be offset by an Earnings Credit based on average collected balances maintained with us. The Earnings Credit is applied to the average collected balance for the month less a 10% reserve requirement.

<sup>2</sup> The interest rate paid on accounts is established at the sole discretion of Amerant Bank and may change at any time. Fees could reduce earnings on account.

<sup>3</sup> Federal regulation limits certain withdrawals out of your account to 6 per statement cycle. Withdrawals in person at a branch or an ATM are not subject to federal limits.

<sup>4</sup> If account is closed before interest is credited, you will not receive the accrued interest.

<sup>5</sup> For information on overdraft fees and overdraft related interest charges refer to our Miscellaneous Service Fees schedule.

<sup>6</sup> For information on payment clearance policy refer to the Understanding Your Deposit disclosure section Checks/Negotiable Orders of Withdrawals.

\* For additional fees related to these accounts, please refer to our Miscellaneous Service Fees schedule.
