

Flexible Solutions

AMERANT

A highly-qualified Relationship Manager will be your liaison with Amerant to provide you bank services¹ tailored for you and to help you optimize your financial situation, increase your investments' profitability, facilitate credit alternatives² and give you access to comprehensive information at all times, focused on your information's privacy.

TRANSACTIONAL ACCOUNTS

They offer you all the advantages of liquidity in just one product, granting you permanent access to the funds in the investments account without the need of transfers from your bank account, offer the Amerant Visa® Check Card and allow you to obtain competitive reimbursements over available funds.

FIXED-TERM DEPOSITS

Ideal vehicle to obtain guaranteed short and medium-term profitability, allowing you term-placements from 7 days to over a year.

CREDIT CARDS

Give you access to revolving credit lines, competitive financing rates, participation in benefit programs and 24/7 specialized phone assistance.

LOANS

Allow you to use your assets, both in financial products and investments in the capital market, to obtain credit facilities for general purposes.

MORTGAGE LOANS

Allow you to purchase houses with the options of fixed or variable terms.

ONLINE BANKING

Through Online Banking you have access to your financial information anywhere and at any time. Our customers can make transfers, request stop checks or contact our qualified team.

¹Banking Services provided by Amerant Bank, N.A., member FDIC. Deposit accounts are insured by the FDIC up to the maximum permitted by law.

²All credit transactions are subject to approval as per current credit policies.
